KADUR DISTRICT—*concluded.*

Subject and name of Member introducing it.	Summary of discussion.	Reply of Government.
Subject No. 237. **Restoration of the Hale Madag tank.** **Mr. C. Srinivasa Rao of Chikmagalur.**	As prayed for in previous years, the Hale Madag tank which has fallen into disrepair may be restored.	To D. P. W.
Subject No. 238. **Restoration of the Turuvanahalli Tank.** **Mr. C. Srinivasa Rao of Chikmagalur.**	For the restoration of the Turuvanahalli tank, the Public Works Department demand payment in one lump of a contribution of Rs. 5,000. It is requested that the raiyats may be allowed to pay the same in five annual instalments of Rs. 1,000 each and the work ordered to be undertaken.	To D. P. W. Under the standing orders of Government, all voluntary contributions have to be paid up before the work can be started.
Subject No. 239. **Feeding certain tanks with water from Kallathi Tirthahalla.** **Mr. Sivappa of the Tarikere Municipality.**	As already represented the water from Kallathi Tirthahalla may be led into Naganannakere, Sunnadahallikere, Ramanaikanakere and other tanks below. This will supply drinking water to Tarikere and will also irrigate a large area under the above tanks.	To D. P. W. by whom the matter is being investigated.
Subject No. 240. **Taluk Cutcherry at Balehonnur.** **Mr. H. Pilkington.**	A building for the Taluk Cutcherry may be constructed at Balehonnur and the Amildar's Head-quarters established there.	The order *re*-establishment of a Taluk Cutcherry has been held in abeyance on tpresentatio Yedahalli people, and the question is re-engaging the attention of Government.
